### Description

RFID Parameter	
Model No.	LDI-TK02
Type	Passive LF RFID Keyfob
Protocol	ISO/IEC 11784/85
Frequency	Worldwide 125khz
Chip	TK4100 (EM4200 Compatible)
Memory	UID 64bit
Read Range	0.1-15cm
Physical Parameter	
Color	Grey, Blue, Red, Yellow, Green, White
Size	35×28×7.1mm (L×W×T)
Antenna Material	PET+ Aluminum Etching
Surface Material	ABS Waterproof
Encode	Supported
Installation	Carry with keys
Operating temperature	-20℃ ~ +60℃
Operating humidity	20% ~ 90%RH

Package	100pcs/bag
Customized Service	Printing, EPC Pre-written, Color

## Applications

- ✓ Access control & attendance Management;
- ✓ School and Office Management;
